

INNOVATIVE GIFT

HAND-BLOWN GLASS PEAR

NOT JUST FOR the holidays, these hand blown glass pears are a meaningful way to say thank you to your team, who go out on a limb to bring in the fruit every day.

At an event, a group of these pears look stunning displayed in a bowl. Asking each team member to pick one as they leave the event would be a meaningful and inspiring keepsake.

Presented with a hang tag with inspiring quote by Will Rogers.
