

INNOVATIVE GIFT

ORGANIZED IN STYLE

A **BEAUTIFUL**, simple solution to a real everyday problem.

A place to store the multitude of personal items we all carry around so they are easily located again when later needed and, always fully charged.

The simple and compact design conceals a universal charger compatible with over 1500 electronic devices from most major brands and a USB port allowing hundreds more electronic devices to be charged using just. Users can from now on charge their cell phone, PDA, Blackberry, iPod, MP3 player, and bluetooth headset simultaneously in one location.

Ask us about customization the stations with logos.
