

INNOVATIVE GIFT

SOPHISTICATED SOUND

iPAL RADIO

IF YOU WANT something that sounds terrific, is easily moved around, and was designed to work with your iPod, nothing does it like the iPAL® radio.

The iPAL radio's auxiliary input connects your iPod, CD player, or any other audio device, delivering sound that must be heard to be believed from a player this small.

6.25"H x 3.69"W x 3.88"D

Weighs 1.95 lbs

Can be customized with a logo for a customized and exclusive added touch.

SATELLITE RADIO

TIVOLI AUDIO HAS earned a reputation for putting sophisticated technologies to use in elegantly simple devices. The Model Satellite AM/FM/SIRIUS Satellite Table Radio—the first satellite table radio designed for home use—is a perfect example. "It's one of the most appealing combinations since chocolate met peanut butter: the rich, full sound of a Tivoli Audio desktop radio matched with the musical variety of Sirius satellite service." (US News & World Report)

4.5" H x 8.325" W x 5.25" D

Weighs 3.68 lbs

Can be customized with a logo for a customized and exclusive added touch.
