

# THE POWER OF SAYING THANK YOU

**WHEN EMPLOYEES FEEL** more valued, they bring more value. It is a simple fact Where is that Thank You note when you need it? Now you have an easy and stylish opportunity to thank those around you.

Contains twelve of our signature thank you note cards with envelopes, gift boxed with our appreciation tips booklet—ensuring etiquette and ease for all thank yous. Here are a few of our tips taken from our booklet.

1. Ensure your thank you is immediate. Better late than never doesn't necessarily work in this case. Within 48 hours is a good measure.
2. Be specific. "thank you for ensuring our deadline was met." ... "thank you for staying late to finish the proposal, the client loves it." Message shows you noticed, and care.
3. Tie their achievements back to your company values.
4. Handwrite the thank you—hand written notes go along way to reflect your integrity and builds staff loyalty.
